eBRIDGE now supports the latest release of Sage Accpac Version 5.5

Connect from Sage Accpac to over 250 pre-built connectors

BURLINGTON, Ontario, August 19, 2008 – eBRIDGE Software, the leader in accounting software integration solutions, is excited to announce the latest accounting package adapter: eBridge for Sage Accpac Version 5.5. The release of this new adapter delivers on the eBRIDGE commitment to continually advance integration solutions for the SMB market.

Customers across the retail, manufacturing, healthcare, military, and food and beverage industries have been using eBRIDGE Software to reduce their administrative costs, increase data accuracy and better their customer relationships for over 14 years.

"With eBRIDGE Software and the help of my Implementation Consultant, I believe that our business will be more successful as a result!"

Brad Keller, Sunshine Kids

Industry: Manufacturing and Distribution; Consumer Goods - Juvenile Products

Region: North America

The release of the Sage Accpac 5.5 adapter delivers a complete and flexible solution for customers using Accpac 5.5 as their accounting package. This release supports eBRIDGE's commitment to provide complete and streamlined integration for Sage Software accounting packages across the ecommerce, Electronic Data Interchange and Customer Relationship Management markets.

"The ability to now exchange and integrate financial information from Sage Accpac 5.5 to any of our 250 pre-built connectors is another example of the powerful capability of our eBridge adapters," stated Colin Brown, President and CEO of eBRIDGE Software. "Through our dedication to continually advance our eBRIDGE integration solutions, we align ourselves with our customer's need to solve their biggest administrative challenges."

About Us

eBRIDGE Software, founded in 1993, leads the small medium enterprise (SME) market in accounting software integration. Our powerful combination of Software-as-a-Service (SaaS) ePortal—including over 250 predefined connectors, such as EDI, ecommerce, CRM, and warehouse management—and our eBRIDGE adapters for over 37 accounting packages, makes eBRIDGE Software the only last mile integration-as-a-service company to offer the widest range of integration possibilities in the market today. This complete and flexible integration solution streamlines your business processes, saving you time and money. For more information visit www.ebridgesoft.com
